

# FIX UP YOUR TRAILER FOR SAFETY & LOOKS

**Lighted Post Style Boat Guides**  
Combination amber and red light provides added safety lighting for improved visibility when trailering on the road. Light clearly marks where the trailer is behind low vehicle when backing down a ramp in the dark. 2" PVC tube is notched to prevent twisting. Includes wire and wire connectors and all mounting hardware for frames up to 3" wide x 4-1/4" height.

## Powerwinch Wireless Remote Control Trailer Winches

The RC 30 and RC 23 are remote operated. Say goodbye to sore muscles from cranking and pulling your boat onto the trailer with Powerwinch's new RC 30 and RC 23, stand back and simply push the REMOTE and watch the boat glide on to the trailer. The RC 30 and RC 23 have a built-in light so you can use your boat at night!

- Pulley block provides for double line applications
- Emergency crank conveniently stores in casing
- Remote power in/tirewheel out operation
- Redesigned stronger housing
- 12 volt with included 60 amp standard wiring harness
- Cable size 1/4" x 40'
